

## Statutory Declaration

**In the Matter of United States Patent**

**Application no. 10/688,988 filed**

**October 21<sup>st</sup> 2003 of**

**Andrew Sean Gordon DALY**

**For "Tendon and Ligament Support"**

1. My name is **Andrew Sean Gordon DALY**, and I am the sole inventor and applicant in respect of a United States Patent Application no. 10/688,988 filed on October 21<sup>st</sup> 2003 at the United States Patent and Trademark Office, Washington, D.C. in respect of an invention entitled "Tendon and Ligament Support".

2. United States Patent Application no. 10/688,988 was filed by me on October 21<sup>st</sup> 2003 at the United States Patent and Trademark Office, Washington, D.C., without the services of a U.S. Patent Attorney or U.S. Patent Agent.

3. My postal address in Ireland was given to the United States Patent and Trademark Office in this application as: Mr. Andrew Sean Gordon Daly, Marysborough House, Glanmire, County Cork, Ireland.

4. The Official Filing Receipt and "Notice to File Missing Parts" mailed September 15<sup>th</sup> 2004 was received by me by postal delivery at the postal address as given.

5. The "Notice of Abandonment" mailed December 29<sup>th</sup> 2005 was also received by me by postal delivery at the postal address as given.

6. However, the official letter which is referred to in the "Notice of Abandonment" as having been mailed from Washington D.C. on 3<sup>rd</sup> June 2005 was *never received* by me at the postal address given. My only explanation is that this letter must have gone astray in the post. As I was unaware of the existence of this official letter and the period of one month set therein for a timely response, abandonment was unavoidable in the circumstances.

7. I have now instructed a U.S. Patent Attorney to represent me and to file a "Petition to Revive" under US 37 CFR 1.137.

I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Irish Statutory Declarations Act, 1835.

Signed

  
Andrew Sean Gordon DALY
